Stephanie joined Kessinger/Hunter as part of the Administrative Department in May of 2007. She utilizes Graphic Arts in creating, designing, or revising maps and aerials of listing locations obtained by the Office Brokerage Team. She also designs and assembles marketing brochures/flyers using graphic software packages such as InDesign, Photoshop, and Adobe Acrobat.

Before joining Kessinger/Hunter, Stephanie was with DST Systems, Inc. Technology Department. She configured AS/400's, PC's, and Servers for Automated Work Distribution (AWD). She also managed the RFP's for maintenance agreements proposed for employee computers and servers.

Stephanie and her husband are proud of their only son who is an Eagle Scout.
