

Leland Hawley
Property Manager

Real Estate Specialty

Leland joined Kessinger/Hunter in 1996 as a Property Manager. As such, Leland's primary responsibilities include tenant relations, budget preparation, monthly financial reporting, maintenance supervision, contract negotiations, tenant finish supervision and the daily operations related to the retail properties he manages.

Career History

Following Leland's professional experience as a Real Estate Fee Appraiser for Bliss Associates in Kansas City, Leland joined Block and Company as a Property Manager. While at Block and Company, Leland was responsible for all duties related to the management and operations of commercial properties, in particular, for various local partnerships and investors. Prior to joining Kessinger/Hunter, Leland was a Property Manager with Price Equity Management in Overland Park, Kansas where he continued managing retail properties for various limited partnerships.
